

Shared Instrument Lab

Department of Chemistry

Access Agreement and Request

Prospective user: as part of gaining access to the Shared Instrument Lab (SIL), you must read and agree to the rules listed on the SIL website – see <https://sil.mst.edu/policies>. Note that these policies may be updated periodically.

(The customary process is that you submit your General Lab Safety Training transcript showing that your training is current, then you receive training on your first instrument in the SIL, and then you submit this form. No grant of access will be made without this completed form being filed along with evidence of currency on GLST and training on at least one instrument in the SIL.)

User: by signing below, you acknowledge that you have read and agree to the rules and policies at the URL shown above (including updates as they occur).

PI: by signing below, you confirm that the user named below is under your supervision and is authorized by you to incur expenses to be charged against your funding; also that you understand that the user named below must adhere to said rules in order to access the Shared Instrument Lab.

You may wish to keep a copy of this document as a record and a reminder.
